Shravan Sangireddy

Frisco, TX · 469-560-8946 · shravansangireddy@gmail.com

Finance-focused student | Nonprofit co-founder | Wharton investment competitor | DECA state finalist

Summary

Junior at Frisco High School building a track record in finance through competition, entrepreneurship, and independent study. Co-founded Every Kid Counts, a financial literacy nonprofit with 11 chapters, most of them international. Competed in the Wharton Global High School Investment Competition with a $300,000 simulated portfolio, became a DECA state finalist with a self-built financial literacy app, and manages a personal investment portfolio. Currently researching private equity through Independent Study & Mentorship.

Education

Frisco High School, Frisco ISD, Frisco, TX · Class of 2028

- Class rank: Top 10%
- AP Scholar with Distinction
- AP coursework: Calculus AB, Precalculus, Statistics, Computer Science A, Research, Seminar, English Language, World History, Human Geography, Environmental Science
- Independent Study & Mentorship (ISM): finance, with a focus on private equity

Leadership & Experience

Every Kid Counts · Co-Founder · [start year] – Present

- Co-founded a nonprofit that teaches financial literacy to young children and grew it to 11 chapters, most of them international.
- Designed a pre- and post-program financial literacy assessment to measure what students actually learn.
- Coordinate chapter leaders across countries to deliver a consistent curriculum.

Independent Study & Mentorship (ISM), Frisco ISD · Student Researcher, Private Equity · 2026 – Present

- Selected finance, specifically private equity, as a year-long field of study.
- Research how private equity firms source, value, and manage investments, and present findings to professional audiences.

Personal Investment Portfolio · Independent Investor · [start year] – Present

- Manage a personal stock portfolio, researching companies and tracking performance against the market.

Competitions & Projects

Wharton Global High School Investment Competition · Competitor, Investment Team Member · 2026

- Competed with a student investment team managing a $300,000 simulated stock portfolio.
- Evaluated company performance and market trends to build and defend a long-term investment strategy.
- Researched companies with teammates and recommended holdings for the portfolio.

DECA · State Finalist, Financial Literacy · 2025 – Present

- Named a state finalist at the Texas DECA State Career Development Conference with [FinEd], a mobile app that gamifies financial literacy basics for students.
- Designed interactive lessons and challenges on budgeting, saving, and money management.
- Built DECOY, a scam-resistance program for teenagers, including a working browser-based prototype, written entry, and 15-minute presentation.
- Developed The First Paycheck Project, a financial literacy initiative for Texas teen workers aligned with Texas HB 27.

Business Professionals of America (BPA) · Member, Finance Events · 2026 – Present

- Competing in finance events with the Frisco chapter for the 2026–27 season.

Skills

- **Finance:** equity research, portfolio analysis, investment strategy, financial literacy curriculum design
